The value of our financial advice

Client Advice

- Listen to you and discuss your needs;
- Give you confidence, security, peace of mind; and
- Strive to meet your objectives by making recommendations based on sound research.

Client Operations

- Prepare and follow-up applications;
- Organise all the associated documentation required; and
- Provide detailed summaries of your file.

Client Review

- To ensure your current insurance/superannuation matches your goals and objectives;
- Assess products according to your current circumstances; and
- Advise you of any legislation changes that may effect you.

Speak to one of our team today to make an appointment. At this meeting we will discuss your options and look at some of the following strategies:

- Structuring investments according to your family situation to be more tax efficient;
- Managing assets and using them to build greater wealth;
- Enabling growth and helping minimise risk through a diversified spread of investments; and
- Protecting your income and investments.

At AUS Financial Advisers, it's all about making the most of your insurance, superannuation and investments for today and tomorrow.

Hands on experience

Our clients are serviced by our principal adviser David Mac Manus, who will provide perspective on your financial solutions.

David Mac Manus

Senior Financial Planner
CFP®, Dip F.P.

David maintains strong working relationships, based on communication and trust, with his clients, referral partners and industry contacts.

David's and AUS Financial Advisers vision is to achieve financial security, by following a disciplined investment processes and never losing sight of the objectives set out by the client.

This is demonstrated by the detailed consideration of client circumstances and the future goals required to be achieved.

David is a CERTIFIED FINANCIAL PLANNER™, the highest designation issued by the Financial Planning Association (www.fpa.asn.au). David's career commenced in 2003 with a boutique accounting firm. David has worked in mid and third tier accounting firms and in wealth management practices dealing with the young, the not so young (pre and post retirees) and large business accounts.

Risk Insurance (Income Protection, Life, Disability and Trauma Cover)

David ensures that the recommended insurance cover is based on your financial needs. Where we are different is AUS Financial Advisers are flexible and provide cover that you request in an easy to manage process. We consider a holistic approach to your situation, by providing superannuation, investment and insurance advice to complement the strategic Risk Plan you require. Our arrangements with our preferred insurers allows AUS Financial Advisers to complete applications over the phone (a tele interview), via an internet questionnaire or a paper based application based on your needs. AUS Financial Advisers specialist advice can provide recommendations to fund your premiums how you choose, whether this be from your bank account, superannuation or your business account. Our strong alignment with AUS Insurance Services Pty Ltd allows us to understand your insurance needs from a start to finish process and ensure that claims are managed efficiently by your local staff.
